1. Introduction

- 1.1. The board of directors (the “**Board**”) of mDR Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) refers to the Company’s announcement dated 30 June 2025 (“**Previous Announcement**”) in relation to the Rights cum Warrants Issue. Unless otherwise defined, all capitalised terms used in this announcement shall bear the same meanings ascribed to them in the Previous Announcement.
- 1.2. Further to the Previous Announcement, the Company has reconsidered the terms of the Rights cum Warrants Issue and is now proposing to revise the terms of the renounceable non-underwritten rights cum warrants issue as detailed in the Previous Announcement. In this regard, the Company is proposing a rights cum warrants issue of up to 1,450,183,783 new ordinary shares in the capital of the Company (the “**Rights Shares**”) at an issue price of S\$0.03 for each Rights Share (the “**Issue Price**”), with up to 7,250,918,915 free detachable and listed warrants (the “**Warrants**”), each Warrant carrying the right to subscribe for one (1) new ordinary share in the capital of the Company (the “**Warrant Share**”) at the Exercise Price (as defined below) for each Warrant Share, on the basis of five (5) Rights Shares for every three (3) ordinary share in the capital of the Company (“**Share**”) held by the shareholders of the Company (“**Shareholders**”) (the “**Rights Issue**”) and five (5) Warrants for every one (1) Rights Share validly subscribed (the “**Warrants Issue**”) as at a record date to be determined, at and on which the register of members of the Company and the transfer books will be closed to determine the provisional allotment of the Rights Shares with Warrants of the Entitled Shareholders (as defined below) (the “**Record Date**”), fractional entitlements to be disregarded. In accordance with Rule 821 of the listing manual of the Mainboard (“**Listing Manual**”) of the Singapore Exchange Securities Trading Limited (“**SGX-ST**”), the Record Date shall only be determined after the Revised Rights cum Warrants Issue (as defined below) has been approved by the SGX-ST. The Rights Issue and the Warrants Issue shall be referred to as the “**Revised Rights cum Warrants Issue**”.

------------------	---

The terms and conditions of the Revised Rights cum Warrants Issue are subject to such changes as the Directors may deem fit. The final terms and conditions of the Revised Rights cum Warrants Issue including procedures for acceptances and applications for the Rights Shares with Warrants will be contained in an offer information statement (the “**Offer Information Statement**”), to be lodged with the Monetary Authority of Singapore (“**MAS**”), and its accompanying documents to be despatched or disseminated by the Company to Entitled Shareholders (as defined below) in due course. A further announcement on the lodgement and despatch or dissemination of the Offer Information Statement will be made by the Company at the appropriate time.

Further details on the principal terms and conditions of the Revised Rights cum Warrants Issue are set out below at paragraph 2.

- 1.4. The issue of the Rights Shares, the Warrants and the Warrant Shares will not be made pursuant to the authority granted by the Shareholders under the general share issue mandate (the “**General Mandate**”) obtained at the annual general meeting of the Company held on 28 April 2025, as the Company intends to seek specific approval from the Shareholders for, *inter alia*, the allotment and issue of the Rights Shares, the Warrants and the Warrant Shares at an extraordinary general meeting of the Company to be convened (“**EGM**”). A circular (“**Circular**”) to the Shareholders containing further information on, among others, the Revised Rights cum Warrants Issue, together with the notice of EGM, will be despatched to the Shareholders in due course.
- 1.5. As an indication of his support and commitment to the Company and the Revised Rights cum Warrants Issue, Mr. Edward Lee Ewe Ming (“**Undertaking Shareholder**”), a controlling shareholder (as defined in the Listing Manual) of the Company who has a deemed interest in approximately 45.78% of the total number of issued Shares of the Company will be undertaking to, amongst others, subscribe for and pay in full for and/or procure the subscription of and payment in full for, his *pro rata* entitlement to the Rights Shares with Warrants under the Revised Rights cum Warrants Issue in relation to Shares held by him as at the Record Date, subject to the Whitewash Waiver (as defined below) being granted by the SIC (as defined below) and the approval of the Independent Shareholders (as defined below) of the Whitewash Resolution (as defined below) at the EGM (collectively, the “**Whitewash Approvals**”). Please refer to paragraph 8 of this announcement for further details.
- 1.6. The Undertaking Shareholder has also indicated to the Company that further to the Irrevocable Undertaking, he may, at his sole discretion and option and subject to availability of financial resources and the receipt of the Whitewash Approvals, make applications in excess of his *pro rata* entitlements to the Rights Shares with Warrants in relation to Shares held by him as at the Record Date, for the provisional allotments of excess Rights Shares with Warrants not otherwise subscribed for by Entitled Shareholders (as defined below) (“**Excess Rights Shares with Warrants**”). For the avoidance of any doubt, such intention of the Undertaking Shareholder is not included as part of the Irrevocable Undertaking provided to the Company.

2. Proposed Principal Terms of the Revised Rights cum Warrants Issue

2.1. Basis of Provisional Allotment

The Revised Rights cum Warrants Issue will be made on a *pro rata*, renounceable and non-underwritten basis of five (5) Rights Shares for every three (3) Shares held by the Shareholders as at the Record Date, with five (5) Warrants for every one (1) Rights Share subscribed, fractional entitlements to be disregarded.

2.2. Size of the Revised Rights cum Warrants Issue

Based on the Company's issued and paid-up share capital of 870,110,270 Shares (excluding treasury shares) as at the date of this announcement, and assuming no new Shares are issued on or prior to the Record Date and all Entitled Shareholders (as defined below) subscribe in full and pay for their *pro rata* entitlements of Rights Shares with Warrants and subsequently exercise all the Warrants, the Company will issue up to 1,450,183,783 Rights Shares with up to 7,250,918,915 Warrants (exercisable into 7,250,918,915 Warrant Shares) under the Revised Rights cum Warrants Issue.

The Revised Rights cum Warrants Issue cannot be withdrawn after the commencement of ex-rights trading. The Company has no existing warrants or other convertible securities as at the date of this announcement.

2.3. The Rights Issue

Entitled Shareholders will be at liberty to accept (in full or in part), decline, renounce or (in the case of Entitled Depositors (as defined below)) trade their provisional allotments of Rights Shares with Warrants on the Singapore Exchange Securities Trading Limited ("**SGX-ST**") during the provisional allotment trading period prescribed by the SGX-ST and will be eligible to apply for additional Rights Shares with Warrants ("**Excess Rights Shares with Warrants**") in excess of their provisional allotments under the Revised Rights cum Warrants Issue.

Fractional entitlements to the Rights Shares with Warrants will be disregarded in arriving at the Entitled Shareholders' provisional allotments of Rights Shares with Warrants and will, together with the provisional allotments of Rights Shares with Warrants which are not taken up or allotted for any reason, be aggregated and allotted to satisfy excess applications for Rights Shares with Warrants (if any), or otherwise dealt with in such manner as the directors of the Company ("**Directors**") may, in their absolute discretion, deem fit in the best interests of the Company, subject to applicable laws and the Listing Manual.

In the allotment of Excess Rights Shares with Warrants, preference will be given to Shareholders for the rounding of odd lots, whereas Directors and substantial Shareholders who have control or influence over the Company in connection with the day-to-day affairs of the Company or the terms of the Revised Rights cum Warrants Issue, or have a representation (direct or through a nominee) on the Board, will rank last in priority for the rounding of odd lots and allotment of Excess Rights Shares with Warrants. The Company will not make any allotment and issuance of any Excess Rights Shares with Warrants that will result in a transfer of controlling interest in the Company unless otherwise approved by Shareholders in general meeting.

2.4. **The Warrants Issue**

The Company also proposes to issue five (5) Warrants for every one (1) Rights Share validly subscribed for no consideration receivable by the Company. The exercise price ("**Exercise Price**") of the Warrants shall be at S\$0.01 per Warrant.

The terms and conditions governing the Warrants will be set out in an instrument by way of a deed poll ("**Deed Poll**") and, subject to the terms therein, each Warrant will entitle the holder to subscribe for one (1) Warrant Share at the Exercise Price at any time during the period commencing from and including the date of issue of the Warrants and expiring at 5.00 p.m. on the day immediately preceding the third (3rd) anniversary of the date of issue of the Warrants (the "**Exercise Period**"), unless such date is a date on which the register of members and/or register of warrant holders of the Company is/are closed or is not a market day, in which event the Warrants shall expire on the date prior to the closure of the register of members and/or register of warrant holders of the Company or on the immediately preceding market day, as the case may be (but excluding such period(s) during which the register of members and/or the register of warrant holders of the Company may be closed) and Warrants that remain unexercised at the expiry of the Exercise Period shall lapse and cease to be valid for any and all purposes, subject to the terms and conditions of the Warrants as set out in the Deed Poll.

An announcement on the expiry of the Warrants will be made and a notice will be sent to all holders of the Warrants at least one (1) month before the expiry of the Exercise Period.

The Exercise Price and/or the number of Warrants to be held by each holder of the Warrants will, after their issue, be subject to adjustments under certain circumstances (such circumstances will be set out in the Deed Poll) and appropriate announcements on the adjustments will be made by the Company. After the issue of the Warrants, in the event of any material alteration to the terms of Warrants to the advantage of the holders of the Warrants, approval by Shareholders for such alteration(s), except where the alterations are made pursuant to the terms of the issue of the Warrants, shall be sought.

The Warrants are immediately detachable from the Rights Shares upon issue, and will be issued in registered form, subject to the terms and conditions to be set forth in the Deed Poll. The Warrants will be listed and traded separately on the SGX-ST under the book entry (scripless) settlement system. The listing of and quotation for the Warrants on the Mainboard of the SGX-ST, if approved, is expected to be subject to there being a sufficient spread of holdings for the Warrants to provide an orderly market for the Warrants. Each board lot of the Warrants will consist of 100 Warrants or such other board lot size which the SGX-ST may require and as may be notified by the Company.

2.5. **Scaling Down of Subscriptions**

Depending on the level of subscription for the Revised Rights cum Warrants Issue, the Company may, if necessary and upon the approval of the SGX-ST, scale down the Rights Shares with Warrants subscribed by any Shareholder to:

- (a) avoid placing such Shareholder and/or parties acting in concert with it (as defined in the Singapore Code on Take-overs and mergers (the "**Takeover Code**")) in the position of incurring an obligation to make a mandatory general offer under the Takeover Code as a result of other Entitled Shareholders (as defined below) not taking up, whether partly or in full, their provisional allotments of the Rights Shares with Warrants; and/or

- (b) avoid the transfer of a controlling interest in the Company, which is prohibited under Rule 803 of the Listing Manual, unless prior approval of Shareholders is obtained in a general meeting.

2.6. Ranking

The Rights Shares with Warrants will be payable in full upon acceptance and/or application. The Rights Shares, when allotted and issued, will rank *pari passu* in all respects with the then existing Shares, except that they will not rank for any dividends, rights, allotments or other distributions that may be declared or paid, the record date for which falls before the date of issue of the Rights Shares with Warrants.

The Warrant Shares arising from the exercise of the Warrants will, upon allotment and issue, rank *pari passu* in all respects with the then existing issued Shares for any dividends, rights, allotments or other distributions, the record date of which falls on or after the date of issue of the Warrant Shares, save as may be otherwise provided in the Deed Poll.

For this purpose, a “**record date**” means, in relation to any dividends, rights, allotments or other distributions, the date as at the close of business (or such other time as may have been notified by the Company) on which the Shareholders must be registered with the Company or The Central Depository (Pte) Limited (“**CDP**”), as the case may be, in order to participate in such dividends, rights, allotments or other distributions.

2.7. Non-underwritten basis of the Revised Rights cum Warrants Issue

The Revised Rights cum Warrants Issue will not be underwritten. In the reasonable opinion of the Directors, and in view of the Irrevocable Undertaking (as defined below), there is no minimum amount which must be raised from the Revised Rights cum Warrants Issue. After taking into consideration the aforementioned, the costs of engaging an underwriter and having to pay commission in relation to the underwriting, the Directors have decided that it is not necessary nor cost effective for the Revised Rights cum Warrants Issue to be underwritten by a financial institution.

3. Rationale

- 3.1. The Company is undertaking the Revised Rights cum Warrants Issue in light of a strong and positive market response indicating high investor interest following the Previous Announcement of the Rights cum Warrants Issue. The Company had observed a significant increase in its share price and trading volume shortly after the Previous Announcement, which the Company believes is an indication of investor confidence in the Company's management and growth prospects. Given this favourable market sentiment, the Company believes it is timely and appropriate to undertake the Revised Rights cum Warrants Issue to better align with the investor appetite in the market, raise additional funds and further strengthen the financial position and capital base of the Group to pursue its future growth strategy.
- 3.2. The Revised Rights cum Warrants Issue will further fortify the Company's balance sheet, for which a stronger financial position will provide financial flexibility to allow the Group to seize opportunities for growth through, *inter alia*, investment and/or acquisition opportunities, in a timely manner and as and when the opportunities arise, as well as repayment of debt as may be deemed appropriate.

- 3.3. In addition to the proceeds to be received from the completion of the Revised Rights cum Warrants Issue, the Company will also receive further proceeds as and when the Warrants are exercised, particularly as the market price of the Shares approaches or exceeds the Exercise Price.
- 3.4. The Revised Rights cum Warrants Issue equitably provides existing Shareholders who are confident of the future prospects of the Company with a greater opportunity on a *pro rata* basis to subscribe for additional Shares in the Company.

4. Use of Proceeds

4.1 On the assumption that:

- (a) (i) the Shareholders approve of the Whitewash Resolution; (ii) none of the Shareholders except for the Undertaking Shareholder subscribe for their respective *pro rata* entitlements to Rights Shares with Warrants under the Revised Rights cum Warrants Issue and (iii) the Undertaking Shareholder subscribes for the Rights Shares with Warrants only and not any of the Excess Rights Shares with Warrants pursuant to the Irrevocable Undertaking (as defined below) (the “**Minimum Subscription Scenario**”), the Company expects to receive net proceeds of approximately S\$19.6 million in aggregate (if none of the Warrants are exercised) from the Revised Rights cum Warrants Issue, after deducting estimated expenses of approximately S\$0.30 million; and
- (b) all Shareholders subscribe for their respective *pro rata* entitlements to Rights Shares with Warrants under the Revised Rights cum Warrants Issue (the “**Maximum Subscription Scenario**”), the Company expects to receive net proceeds of approximately S\$43.2 million in aggregate (if none of the Warrants are exercised) and approximately S\$115.7 million in aggregate (assuming all of the Warrants are exercised) from the Revised Rights cum Warrants Issue, after deducting estimated expenses of approximately S\$0.30 million.

4.2. In all the scenarios mentioned in paragraph 4.1 above, the Company intends to use the net proceeds (“**Net Proceeds**”) from the Revised Rights cum Warrants Issue in the following manner and proportions:

No.	Use of Net Proceeds	Percentage of Net Proceeds (%)
1.	General corporate purposes, including but not limited to the repayment of debt as may be deemed appropriate and the making of investments and/or acquisitions.	100
Total		100

The Company is of the view that the minimum proceeds raised (based on the Irrevocable Undertaking (as defined below)) from the Revised Rights cum Warrants Issue in the Minimum Subscription Scenario will be sufficient to meet the Company’s present funding requirements.

4.3. The Company will make periodic announcements on the utilisation of the Net Proceeds as and when such proceeds are materially disbursed and whether such disbursements are in accordance with the stated use of proceeds, and subsequently provide a status report on the use of such proceeds in its annual report. Where the proceeds have been used for working

capital purposes, the Company will provide a breakdown with specific details on how the proceeds have been applied in the Company's announcements and the annual report. Where there is any material deviation from the stated use of proceeds, the Company will announce the reasons for such deviation.

- 4.4. Pending the deployment of the proceeds raised from the Revised Rights cum Warrants Issue for the use(s) mentioned above, the proceeds may be placed as deposits with financial institutions or invested in short-term money market or debt instruments, or for any other purposes on a short-term basis as the Directors may deem fit in the interests of the Group.

5. Opinion of Directors

- 5.1. The Directors are of the opinion that, after taking into consideration the Group's present bank facilities, the working capital available to the group is sufficient to meet its present requirements. Nonetheless, the Company is undertaking the Revised Rights cum Warrants Issue for the reasons cited in paragraph 3 above.
- 5.2. The Directors are of the opinion, after taking into consideration the rationale for the Revised Rights cum Warrants Issue as set out in paragraph 3 of this announcement that the Revised Rights cum Warrants Issue is in the interests of the Company.
- 5.3. In determining the Issue Price, Exercise Price and discount as set out in paragraph 1 of this announcement, the Directors had taken into consideration, amongst others, the historical performance of the Group, profitability and prospects of the Group's businesses, intrinsic and net asset value per Share, volume weighted average price of the Shares as at 30 June 2025, theoretical ex-rights price computed on the same and retention of long term shareholders.

6. Eligibility to Participate in the Revised Rights cum Warrants Issue

- 6.1. The Company proposes to provisionally allot Rights Shares with Warrants to all Shareholders who are eligible to participate in the Revised Rights cum Warrants Issue on the basis of their shareholdings in the Company as at the Record Date ("**Entitled Shareholders**"). The Entitled Shareholders comprise Entitled Depositors and Entitled Scripholders (both as defined below).
- 6.2. "**Entitled Depositors**" are Entitled Shareholders whose securities accounts with CDP are credited with Shares as at 5.00 p.m. (Singapore time) on the Record Date, provided that such Entitled Depositors have registered addresses in Singapore with CDP as at the Record Date or if they have registered addresses outside Singapore, they have provided CDP with a registered address in Singapore no later than 5.00 p.m. (Singapore time) on the date being three (3) market days (being a day on which the SGX-ST is open for trading in securities) prior to the Record Date.
- 6.3. "**Entitled Scripholders**" are Entitled Shareholders whose share certificates are not deposited with CDP and who have tendered to Boardroom Corporate & Advisory Services Pte. Ltd ("**Share Registrar**") at 1 Harbourfront Avenue, Keppel Bay Tower #14-07, Singapore 098632 valid transfers of their Shares and the certificates relating thereto for registration up to the Record Date, provided that such Entitled Scripholders have registered addresses in Singapore with the Share Registrar as at the Record Date or if they have registered addresses outside Singapore, they have provided the Share Registrar with a registered address in Singapore no later than 5.00 pm. (Singapore time) on the date being three (3) market days (being a day on which the SGX-ST is open for trading in securities) prior to the Record Date.

6.4. **CPF Investment Scheme**

Shareholders who have previously purchased Shares using their Central Provident Fund (“**CPF**”) account savings (“**CPF Funds**”) under the Central Provident Fund Investment Scheme (“**CPFIS**”) may only use their CPF Funds for the payment of the Issue Price to subscribe for their provisional allotments of Rights Shares with Warrants and (if applicable) to apply for Excess Rights Shares with Warrants, subject to the applicable CPF rules and regulations. Such Shareholders who wish to accept provisional allotments of the Rights Shares with Warrants and (if applicable) apply for Excess Rights Shares with Warrants using CPF Funds will need to instruct their respective approved CPF agent banks with whom they hold their CPF investment accounts, to accept the provisional allotments of the Rights Shares with Warrants and (if applicable) apply for Excess Rights Shares with Warrants on their behalf in accordance with the terms and conditions in the Offer Information Statement. CPF Funds may not be used to purchase provisional allotments of nil-paid Right Shares with Warrants directly from the market.

6.5. **Supplementary Retirement Scheme (“SRS”)**

Members under the SRS (“**SRS Members**”) who have previously purchased their Shares using their account opened with the relevant approved bank (“**SRS Accounts**”) and who wish to accept their provisional allotments of Rights Shares with Warrants and apply for excess Rights Shares with Warrants (if applicable) can only do so, subject to applicable SRS rules and regulations, using monies standing to the credit of their respective SRS Accounts. Such SRS Members who wish to accept their provisional allotments of Rights Shares with Warrants and apply for Excess Rights Shares with Warrants using SRS monies (if applicable), must instruct the relevant approved banks in which they hold their SRS Accounts to accept their provisional allotments of Rights Shares with Warrants and apply for Excess Rights Shares with Warrants (if applicable) on their behalf in accordance with the Offer Information Statement. Any application made directly to CDP or through automated teller machines of any participating bank appointed and named in the Offer Information Statement, the Share Registrar and/or the Company will be rejected. For the avoidance of doubt, monies in SRS Accounts may not be used for the purchase of the provisional allotments of Rights Shares with Warrants directly from the market. Such Entitled Shareholders should refer to the Offer Information Statement to be lodged with the MAS for important details relating to the offer procedure in connection with the Revised Rights cum Warrants Issue.

6.6. **Foreign Shareholders**

For practical reasons and to avoid any violation of the relevant legislation applicable in countries other than Singapore, the Rights Shares with Warrants will not be offered to Shareholders with registered addresses outside Singapore as at 5.00 p.m. (Singapore time) on the Record Date and who have not, by no later than 5.00 p.m. (Singapore time) on the date being three (3) market days (being a day on which the SGX-ST is open for trading in securities) prior to the Record Date, provided to the Share Registrar or CDP, as the case may be, with registered addresses in Singapore for the service of notices and documents (the “**Foreign Shareholders**”) and the Offer Information Statement and its accompanying documents will not be despatched to Foreign Shareholders. Accordingly, no provisional allotments of the Rights Shares with Warrants will be made to Foreign Shareholders and no purported acceptance thereof or application by Foreign Shareholders will be valid.

SHAREHOLDERS WITH REGISTERED ADDRESSES OUTSIDE SINGAPORE WHO WISH TO PARTICIPATE IN THE REVISED RIGHTS CUM WARRANTS ISSUE SHOULD PROVIDE

CDP OR THE SHARE REGISTRAR, AS THE CASE MAY BE, WITH ADDRESSES IN SINGAPORE FOR THE SERVICE OF NOTICES AND DOCUMENTS, AT LEAST THREE (3) MARKET DAYS PRIOR TO THE RECORD DATE.

7. Irrevocable Undertaking

- 7.1. As at the date of this announcement, the Undertaking Shareholder, Mr. Edward Lee Ewe Ming, a controlling shareholder of the Company, is interested in 398,374,144 Shares, representing 45.78% of the total number of issued Shares of the Company, of which 1 Share is held directly by him and the remaining 398,374,143 Shares are held through nominee and financial institutions, out of which 216,634,196 Shares are held jointly with his spouse, Ms. Zhang Yanmin. The Undertaking Shareholder is also the Executive Chairman and Non-Independent Executive Director of the Company.
- 7.2. To demonstrate confidence, support and commitment to the Company and the Revised Rights cum Warrants Issue, the Undertaking Shareholder will be providing an irrevocable undertaking in favour of the Company ("**Irrevocable Undertaking**"), pursuant to which the Undertaking Shareholder will, subject to certain conditions, irrevocably undertake to the Company that, among others:
- (a) as at the Record Date, the number of shares held by the Undertaking Shareholder will not be less than the number of Shares held by him as at the date of the Irrevocable Undertaking;
 - (b) he will vote in favour of the Revised Rights cum Warrants Issue at the EGM (including any adjournment thereof) to approve, *inter alia*, the Revised Rights cum Warrants Issue, the issue of the Rights Shares, the Warrants and the Warrant Shares; and
 - (c) he will, not later than the last day for acceptance and payment of the Rights Shares with Warrants and subject to the approval of the Shareholders of the Whitewash Resolution (as defined below), subscribe for and pay in full for and/or procure the subscription of and payment in full for his *pro rata* entitlement to the Rights Shares with Warrants under the Revised Rights cum Warrants Issue in relation to the Shares held by him as at the Record Date, in accordance with the terms and conditions of the Revised Rights cum Warrants Issue.
- 7.3. The Undertaking Shareholder has also indicated to the Company that further to the Irrevocable Undertaking, he may, at his sole discretion and option and subject to availability of financial resources and the receipt of the Whitewash Approvals, make applications in excess of his *pro rata* entitlement to the Rights Shares with Warrants in relation to Shares held by him as at the Record Date, for the provisional allotments of Excess Rights Shares with Warrants. For the avoidance of any doubt, such intention of the Undertaking Shareholder is not included as part of the Irrevocable Undertaking provided to the Company.
- 7.4. The Undertaking Shareholder shall procure confirmation(s) from financial institutions that he has sufficient financial resources to fulfil his obligations under the Irrevocable Undertaking.

- 7.5. The Irrevocable Undertaking will be conditional upon, among others, the following:
- (a) the receipt of the approval in-principle of the SGX-ST for the dealing in, listing of and quotation for the Rights Shares, the Warrants and Warrant Shares on the Mainboard of the SGX-ST, such approval not having been withdrawn or revoked as at the date of completion of the Revised Rights cum Warrants Issue, and if such approval is granted subject to conditions, such conditions being acceptable to the Company;
 - (b) the Whitewash Waiver (as defined below) being granted by the SIC (as defined below) and not having been withdrawn or revoked as at the date of completion of the Revised Rights cum Warrants Issue;
 - (c) the Revised Rights cum Warrants Issue and the issue of the Rights Shares, the Warrants and the Warrant Shares being approved by Shareholders at the EGM; and
 - (d) the Whitewash Resolution (as defined below) being approved by the Independent Shareholders (as defined below) at the EGM.

Resultant Shareholdings of the Undertaking Shareholder based on Maximum Subscription Scenario and Minimum Subscription Scenario

- 7.6. Assuming the Maximum Subscription Scenario, the Undertaking Shareholder's aggregate deemed interest in Shares after the close of the Revised Rights cum Warrants Issue will remain unchanged at approximately 45.78% of the enlarged share capital of the Company after the Revised Rights cum Warrants Issue.
- 7.7. Assuming the Minimum Subscription Scenario, the Undertaking Shareholder's aggregate deemed interest in Shares after the close of the Revised Rights cum Warrants Issue will increase from approximately 45.78% as at the date of this announcement to approximately 69.25% (assuming that none of the Warrants are exercised) or approximately 90.28% (assuming that all the Warrants are exercised immediately upon issue) of the enlarged share capital of the Company after the Revised Rights cum Warrants Issue.

8. Waiver of Mandatory Takeover

- 8.1. Under Rule 14.1 of the Singapore Code on Take-overs and Mergers (the "**Code**"), where (a) any person acquires whether by a series of transactions over a period of time or not, Shares which (taken together with shares held or acquired by persons acting in concert with him) carry 30% or more of the voting rights in the Company; or (b) any person who together with persons acting in concert with him, holds not less than 30% but not more than 50% of the voting rights in the Company and such person, or any person acting in concert with him, acquires in any period of six (6) months additional Shares carrying more than 1% of the voting rights, he is required to make a mandatory general offer for all the Shares in the Company which he does not already own or control ("**Mandatory Offer**").
- 8.2. Assuming the Minimum Subscription Scenario, pursuant to which the Undertaking Shareholder will subscribe to a maximum of 663,956,906 Rights Shares with Warrants, out of which 361,056,993 Rights Shares with Warrants will be subscribed jointly with Ms Zhang Yanmin pursuant to the *pro rata* entitlement in respect of their Shares held jointly:
- (a) the aggregate shareholding interests of the Undertaking Shareholder will increase from

approximately 45.78% to 69.25% immediately following the allotment and issue of such Rights Shares with Warrants or 90.28% upon the full exercise of all 3,319,784,530 Warrants held by the Undertaking Shareholder; and

- (b) the aggregate shareholding interests of Ms. Zhang Yanmin will increase from approximately 24.90% to 37.66% immediately following the allotment and issue of such Rights Shares with Warrants or 49.09% upon the full exercise of all 1,805,284,965 Warrants held by Ms Zhang Yanmin jointly with the Undertaking Shareholder.
